## Further Comments

Parents were invited to leave further comments or suggestions. 20 parents did so (50%). The majority of these comments thanked the nursery staff for the high quality of provision their children had experienced at Ronald Tree and these are listed on the following pages.

In addition three parents made suggestions:

- One parent whose child attended 1pm to 6pm suggested that a more substantial meal should be provided for tea at 4.30 than is currently the case. The nursery has looked into this previously and the view amongst parents was that they preferred children to have a light meal at this time at nursery and then a further meal with their family when they got home if required.
- One parent liked Tapestry but would have preferred more information to be provided on it. We will look into this but cannot guarantee to dramatically increase what is recorded as there is already a significant amount of information provided.
- One parent felt that it was appropriate for 'naughty children' to be excluded from the nursery.
