Safety Reminders

For the safety of all the children please can you make sure that you close and bolt the gates into the car park and on Laburnum Crescent every time you go through them.

Please drive safely in our car park and be aware of all children in the car park whether you are walking or driving. Thank you

Noses!

There are lots of colds about and lots of runny noses! We encourage the children to try and wipe their own noses and it would be great if you could please do the same at home. Please could we ask that you provide a box of tissues as we go through so many boxes!! Thank you.

Bad Weather

Should the nursery have to close due to bad weather this winter, this news will be posted on our facebook page and school website. Please check for updates. This information will no longer be on the Northamptonshire County Council website.

IMPORTANT—Attendance

It is very important that your child attends their nursery sessions. If your child is ill or has an appointment and is therefore unable to attend you **MUST** phone into school and let us know. **01536 514240**

If your child is ill, please do not send them back to nursery until they are well as this spreads germs. We will send children home again if they are still not well.

Thank you.

IMPORTANT— Collection of children

If someone different is collecting your child, it **MUST** be the parent who tells us. Speak to the staff on reception **01536-514240** — and they will make a record of the person collecting your child with a password and their phone number.

Please also ensure your child is collected on time. If children are collected late this affects our staff ratios and upsets your child.
Thank you.

Animal Friends

Each week one child from each group will have the opportunity of taking their group's mascot home with them and then tell their friends about it when they bring them back.

We hope you enjoy their visits!
