

Ronald Tree Nursery School

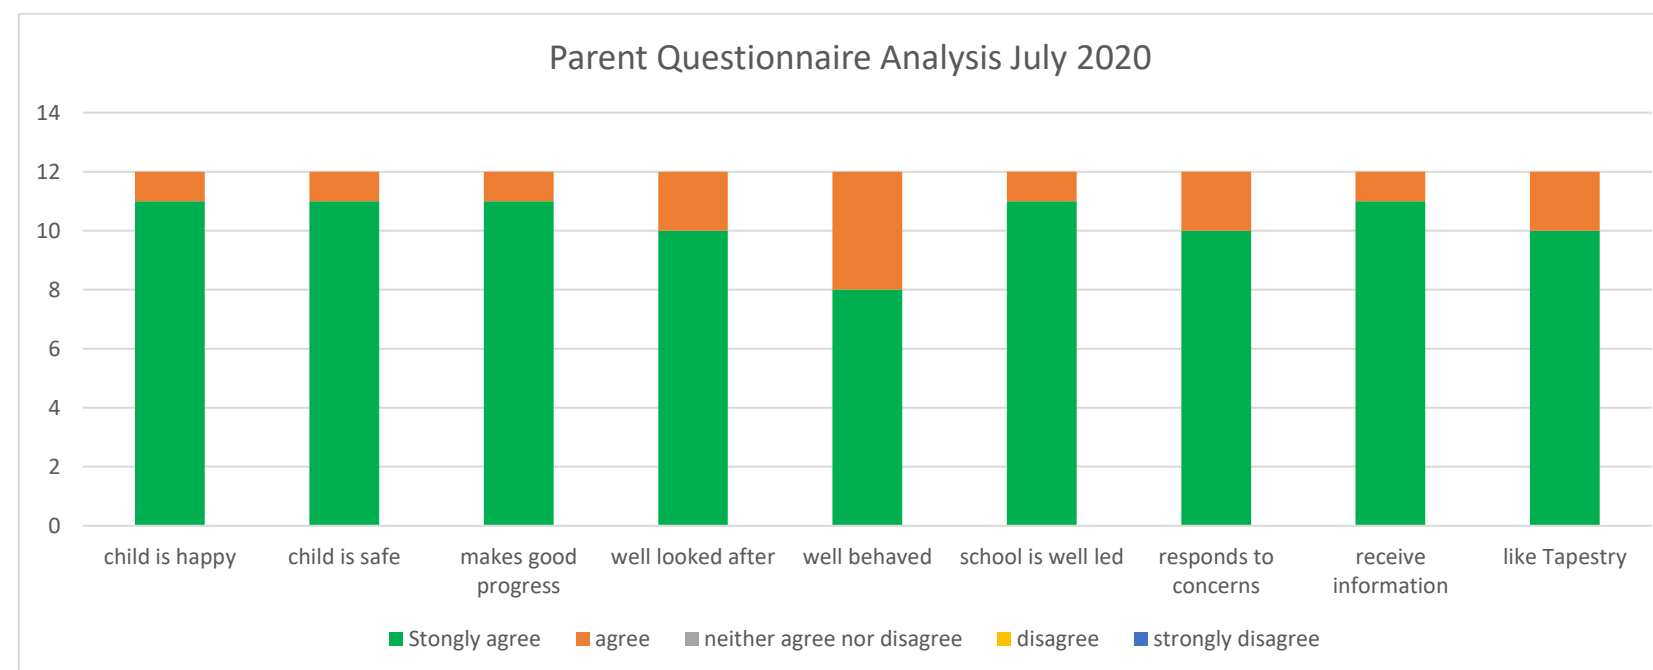

Parental Questionnaire Feedback Report 2019-2020 Academic Year

Due to the limited attendance of children in the summer term because of Covid 19 the questionnaire was issued to 25 families only. 12 questionnaires (48%) were returned. This is the highest return rate we have ever had.

The questionnaire asked parents to consider 9 statements relating to their perceptions of their own and their child's experiences of Ronald Tree Nursery School and rate them on a five point range from Strongly Agree to Strongly Disagree. These statements were taken from the Ofsted Parent View questionnaire to parents. The questionnaire also asked if parents would recommend the school to other parents and asked for any further comments and suggestions.

Fabulous Nursery!
Fabulous teachers!

My son has loved coming to nursery. He has made such good progress and has been supported and cared for in the most appropriate way to meet his needs. Not only has he had support but I have as a parent. All the staff at the nursery are welcoming and happy to help.

I would like to say a big thank you to Shona who has worked so hard with my son over the years. She is one of the most caring people I have ever met and she formed such a good relationship with my son. He felt safe and trusted her and has come on leaps and bounds and I have no doubt this is down to Shona's hard work, empathy and patience. Last but not least thank you to Karen. She has been the most amazing head teacher getting professionals involved to support my son and myself. I can't thank you enough. Have a well-deserved and amazing retirement!
