## Parental Questionnaire Feedback Report 2020-2021 Academic Year

The questionnaire was issued to 114 families and 23 questionnaires (20%) were returned. This is one of the lowest return rates we have had; and we believe this is because of the distanced relationship that we had with parents during the academic year; i.e. the parents did not come into the school building due to the Covid 19 restrictions. We also believe that this has impacted on the results as parents did not see their child in the nursery setting other than through photographs and videos posted on their Tapestry account. The school remained open to all children during the January to March lockdown but many parents with older children who were off school chose to keep their children at home during the spring term.

The questionnaire asked parents to consider 9 statements relating to their perceptions of their own and their child’s experiences of Ronald Tree Nursery School and rate them on a five point range from Strongly Agree to Strongly Disagree. These statements were taken from the Ofsted Parent View questionnaire to parents. The questionnaire also asked if parents would recommend the school to other parents and asked for any further comments and suggestions.

### Statements

- 1. My Child is happy at this school; 18 respondents ‘strongly agreed’ (78%) and five parents ‘agreed’ (22%).
- 2. My child feels safe at this school: 20 parents ‘strongly agreed’ (87%) and three parents ‘agreed’ (13%).

- 6. This school is well led and managed: 17 parents ‘strongly agreed’ (74%) and two parents ‘agreed’ (9%) and four parents neither agreed nor disagreed (17%).
- 7. This school responds well to any concerns I raise: 19 parents ‘strongly agreed’ (83%) and three parents ‘agreed’ (13%) and one parent neither agreed nor disagreed (4%).
- 8. I receive valuable information from the school about my child’s progress: 17 parents ‘strongly agreed’ (74%) and four parents ‘agreed’ (17%) and two parents neither agreed nor disagreed (9%).
- 9. I like using Tapestry (online learning journey): 17 parents ‘strongly agreed’ (74%) and six parents ‘agreed’ (26%).

### Statement Feedback Analysis

All respondents ‘strongly agreed’, ‘agreed’, or ‘neither agreed nor disagreed’ with all nine statements. None of the respondents disagreed with any statement.

There was an even split of questionnaires between children in years N2 (leaving to go to school in September 2021) and year N1. 13 questionnaires (56%) were returned from parents whose children attended for the universal 15 hours per week in the main nursery and nine questionnaires (40%) from parents whose children attended for 30 hours or more. One questionnaire (4%) was returned from a parent with a child in the Teddy Bear Room.

**Recommendation of Ronald Tree Nursery School:** 100% of respondents said they would recommend the nursery to another parent.

## Further Comments

Parents were asked to comment on the school's response to the Covid 19 pandemic. Six parents did so.

**Amazing!!!  
Thank you!**

*All staff members are doing a fantastic job during the pandemic by keeping all children safe and secure in bubbles. Thanks for your support.*

**We'd like to give a big thanks to all the teachers who worked during this period.**

Pandemic handled very well, ensuring rules are stuck to. Will look forward to children being allowed on their field trips and going out and about again.

I was pleased when you changed the entrance groups as this has lead to no further self isolations which did have a big impact on happiness at nursery.

I was a little worried at first about dropping my daughter without a settling in visit with me present but it was lovely to be invited into the garden to meet her key person beforehand which eased my anxieties. My daughter handled it all well and had no issues starting nursery in January. I feel the measures in place have effectively kept us all safe.

## Further Comments

Parents were invited to leave further comments or suggestions. 9 parents did so (40%). Many parents also sent thank you cards (including some of those with children in Year N1), left messages on the school Facebook page or commented on the reply slips for their child's end of year report. These comments thanked the nursery staff for the high quality of provision their children had experienced at Ronald Tree and these are listed on the following pages.
