Parental Questionnaire Feedback Report 2021-2022 Academic Year

The questionnaire was issued to 120 families and 42 questionnaires (35%) were returned. This is nearly double the number of returned questionnaires compared to last year.

The questionnaire asked parents to consider 9 statements relating to their perceptions of their own and their child's experiences of Ronald Tree Nursery School and rate them on a five point range from Strongly Agree to Strongly Disagree. These statements were taken from the Ofsted Parent View questionnaire to parents. The questionnaire also asked if parents would recommend the school to other parents and asked for any further comments and suggestions.

Many parents also sent thank you cards (including some of those with children in Year N1), left messages on the school Facebook page or commented on the reply slips for their child's end of year report. These comments thanked the nursery staff for the high quality of provision their children had experienced at Ronald Tree and these are listed on the following pages.
