[My daughter] started in January 2025 and she learned lots of words, names of animals and other things and she's more confident and active than before. She enjoyed spending times at Ronald Tree. Sometimes she's playing pretending to be a teacher,

Lovely thorough report that sounds just like [my daughter]. The best decision I made was choosing Ronald Tree for her. Staff have always gone the extra mile and built such lovely, strong relationships with [my daughter], that was helped shape her into the confident, curious and clever little girl that she is today. Can't thank you all enough!

[My son's] reports are a good reflection of how far he has come since his time at Ronald Tree. From the most welcoming and ever changing environment to the other children, activities and incredible staff that have become like family to [my son]. Could not be any more grateful for all your guidance and support over the years and for giving [my son} the best possible chance into Primary school life.

The report was incredibly unexpected seeing how much [my daughter] learned and grown is amazing and hope she's becoming more as you have given her a great foundation. Thank you all.

I am very proud of the progress that [my son] has made. Thank you for the effort you all put into his education.

To us, the report is like letting us in to know what [my son's] life is like at the nursery and we are so thankful for that. [My son] had two big changes this term; a new school and longer hours at the nursery. Fantastically, he has adjusted so well. All thanks to the entire staff, taking care of [my son] and teaching him at the nursery. His Keyworker has been so wonderful. That was a detailed report and we could relate to some of the things mentioned.

[Daughter's] report was amazing and she has progressed really well because all the teachers have done well with [daughter's] learning and development.

I want to tell you that we are very happy that we chose this Kindergarten for [our daughter] because you are a wonderful team. You listened to our every concern and together we collaborated for the good of our little girl! We could not have asked for more! You are extraordinary and we are sorry that another year will not go by with you! I recommend you with all my heart. [Keyworker] Thank you for all your effort and patience. You are the best!

We are very pleased with [my son's] learning experience during his time at Ronald Tree. We sincerely thank the entire staff for their dedication and commitment. Thank you very much!

I think [daughter's] reports are very accurate and helpful! Helped me improve things at home and out and about. [Daughter} loved her time at nursery! She has learnt a lot! Sad to see it come to an end.
